• Port Courtesy requests should be submitted:
  • Mondays – Fridays: by 4:00PM Eastern Standard Time (EST)
  • Requests submitted on weekends or holidays will be processed the next business day.

• If an unexpected official arrival of Head of State or Cabinet level official occurs with less than three business days notice, the Embassy/Mission is encouraged to submit a request urgently and reach out to Office of the Chief of Protocol to confirm receipt.
  • Weekdays/Normal Business Hours (8:30AM-5:00PM): Port Courtesy Desk Line: 202-647-4503
  • Weekends/After Normal Business Hours: Port Courtesy Duty Cell: 202-997-4923 (for official arrivals of Heads of State or Cabinet level officials only)

US-VISIT Exemption

• Visitors travelling as a part of a delegation that is led by a Chief of State or Head of Government on an un-official B1/B2 or I visa are required to provide biometrics at the port-of-entry unless an official US-Visit Exemption is requested.

• This does not exempt the travelers from requiring a valid visa to enter the U.S.

• Mission should submit a request for US-VISIT exemption via email to PortCourtesies@state.gov at least 3 business days prior to the arrival.

• The mission should list the Name, Date of Birth, Passport Number, Country of Birth and Country of Citizenship of each individual for US-VISIT exemption on the US-VISIT exemption spreadsheet.

Greeters at Airport - Arrivals

- For commercial aircraft arrivals, airports within the United States allow up to two greeters from the Foreign Embassy/Mission to greet the dignitary upon arrival. ALL greeters must be listed on the port courtesy document.

- For commercial aircraft arrivals, the greet will occur once the dignitary departs the international terminal and proceeds into the processing area. Please note, each airport is very different and the greeting can vary greatly. Greeters must report to the CBP at least 30 minutes prior to the arrival.

- For commercial aircraft arrivals, plane-side greets are extremely rare and must have the approval of CBP.

- For private aircraft arrivals, a maximum of two greeters are allowed to go to the airport to greet the dignitary upon arrival. The greet will typically occur planeside at the bottom of the stairs.

- For domestic, commercial aircraft arrivals, greeters should meet their dignitary in the baggage claim area. There is no greet prior to baggage claim, as the dignitary will not be processed through Customs.
Reminders & Tips

• A request for Port Courtesies must be submitted a minimum of THREE (3) business days in advance of the arrival date!

• Please login in advance to make sure you still have access to the designated e-GOV system.

• ARMED SECURITY officers must travel with the VIP and have appropriate official A, G or NATO visa.

• Requests that have not been accepted, can now be edited by the mission without being returned.

• If the correct title is not listed in the drop down menu, select “Other” and then you can type the necessary title. For spouses of dignitaries, please clarify “Spouse of Ambassador” or “Spouse of President.”

• Passengers should be grouped together in ONE (1) Port Courtesy request if on the same flight. Please do not submit separate Port Courtesy requests for different ministers arriving on the same flight.

Private Aircraft, Parking and Motorcades
Aircraft Parking

Mr. Marcelo Morelli
JFK Airport Operations
Good afternoon,

The Port Authority looks forward to working with you to ensure the most successful visit of your dignitary.

This year has brought changes that will affect operations at John F. Kennedy International Airport (JFK), such as: ongoing construction; a drastic reduction in the number of aircraft parking locations for special/private flights; and the anticipated arrival of an unprecedented number of heads of state, heads of government, and foreign ministers.

We expect many dignitaries to arrive and depart via JFK at the same time of day. With the drastic reduction of aircraft parking locations, the adherence to time schedules and policies will be essential. This is to ensure that your dignitary and accompanying party will not be delayed upon arrival and departure.
PRIVATE AIRCRAFT

This information is for arrivals and departures and applies to private aircraft both foreign and domestic.

• Please consider arriving and departing outside the hours of 7 a.m. to 10 a.m. and 3 p.m. to 10 p.m.

• Arriving and departing during these “peak” hours of the day may result in your aircraft being delayed to its assigned parking location.
PRIVATE AIRCRAFT

This information is for arrivals and departures and applies to private aircraft both foreign and domestic.

• Overnight parking of foreign military or state aircraft at JFK, EWR, and LGA is strictly prohibited; however, overnight and extended parking will be permitted at Teterboro airport (TEB). Only aircraft with a MGTW of less than 100,000 lbs. are permitted at TEB.

• Port Authority Operations will provide a “follow me” vehicle to escort the aircraft to and from the parking site.

• Port Authority Operations will determine all Private aircraft parking locations – contact information is located at the end of the Port Authority of NY/NJ section in the USUN online briefing booklet.
PRIVATE AIRCRAFT

This information is for arrivals and departures and applies to private aircraft both foreign and domestic.

• Because many private flights are expected to be on the ground at the same time, a parking spot may not be confirmed until a short time before arrival of the aircraft. Aircraft may be required to be towed into/out of the arrival/departure site.

• Please contact the appropriate Fixed Base Operator (FBO) for the intended airport of arrival/departure to coordinate all ground handling services and airport fees (landing and parking). FBOs are identified in the USUN online briefing booklet.

• Aircraft are required to unload the dignitary/delegation and reposition the aircraft to another airport for parking with this two (2) hour window. Alternate parking locations are identified in the USUN online briefing booklet.
PRIVATE AIRCRAFT

This information is for arrivals and departures and applies to private aircraft both foreign and domestic.

• Due to heightened security measures at JFK Airport, arrangements for greeting will be made in accordance with federal and airport requirements.

• For all flights there is a strict limit of two (2) greeters.
SPECIAL AIRCRAFT

Same as private aircraft with the following additional notes.

• For the use of an Airbus 380 or Boeing 747-8, prior permission is required at least 72 hours in advance from Port Authority Airport Operations.

• Certain types of aircraft are prohibited from landing due to size and noise control regulations.

• Make sure to file flight plans for all departures by contacting 1-800-WXBRIEF (1-800-992-7433)
JFK REDEVELOPMENT PROGRAM

https://www.anewjfk.com/

- JFK has begun its transformation as part of a redevelopment effort.
- JFK has drastically reduced parking locations for private aircraft.
- Please consider alternative airports.
